

2020 RMPCA Academic Scholarship Program

One of the primary directives of the RMPCA is to raise funds to be awarded in the form of an annual scholarship to high school seniors, and actively enrolled college and university students. The scholarship is open only to the children and grandchildren of RMPCA members.

Application and Submission Timeline: Applications are available in January 2020. **The application must be emailed to info@rmpca.com no later than April 30, 2020.** Applicants must answer the eligibility questions, and the following question in an essay format.

Essay Question:

**What is climate change? Is climate change really happening?
How does climate change affect the insurance industry, and your ability to be insured?
Is climate change being affected by human activity?**

Qualifications: High School senior with an acceptance letter from an accredited college or university for the upcoming academic school year OR Currently enrolled college or university student with transcripts or proof of attendance for the upcoming school year. Applicant must be the child or grandchild of an active RMPCA Adjuster or Company Member of the RMPCA.

Format: The applicant is tasked with writing an original informative essay. The essay can be up to 500 words. The completed application must be submitted in a MS Word Document, formatted and saved in a 12 pt Arial font and attached to an Email to info@rmpca.com SUBJECT Line: 2020 Scholarship Program

Jury review: The applications will be reviewed by a jury consisting of RMPCA members from various industries. None of the applicant's personal information is available to the jury. The jury is selected by the committee chairperson, and serves one scholarship season.

Scholarship Committee: The scholarship committee is responsible for tracking the applicants, forming the review jury, monitoring the applications; providing the jury with unidentifiable and complete applications. The committee is empowered to make decisions and implement processes that provide fair and unbiased review and subsequent awards of the RMPCA scholarship.

Award Structure: The award is based on originality, cogent thought and argument supporting understanding, and relevant application of the question. There are three top prizes awarded: Applicants are only eligible for the top three awards once during their college career.

The amount of the pool is variable and is dependent on the amount of money raised by the RMPCA. The remaining prize pool is to be divided equally among the remaining applicants. All applicants will receive a scholarship prize.

Awards: All applicants will receive an award letter and a check made payable to the student.
